MEMORANDUM FOR : Chief, Joint Subsidiary Activities Division
Joint Chiefs of Staff

SUBJECT : Project USEFUL - Number 2

REFERENCE : Memo dtd 25 Oct 54 from DTR to C/JSPD/JCS,
Subject: "Procedure for Nominating Candidates
for Project 'USEFUL'."

1. Pursuant to informal discussions between representatives of your Staff and this Agency's Office of Training, it has been concluded that a second presentation of Project "USEFUL" would prove mutually beneficial. The representatives tentatively agreed to schedule the briefing for the period 19 to 30 September 1955. CIA will assume these dates to be firm, unless you advise to the contrary.

2. Cognizance is taken of JSAD/JCS representative's expressed desire that the enrollment for the next subject presentation be increased from 25 to 40. We will accordingly plan for an attendance of forty officers. For a group of this size, it is deemed most feasible to utilize the lecture technique initially, gravitating into seminar discussions toward the end of the presentation.

3. In the original agreement between CIA and JSAD/JCS it was provided that representatives from the services staffs and war colleges would be in attendance. While four such schools were represented in the first presentation of subject project, it is earnestly hoped that a larger number of the senior service colleges and schools will be represented in the ensuing conference series.

4. For consideration, as you may deem appropriate, our project files indicate that CINCPAC is desirous of having one space allotted in the next presentation of Project "USEFUL". This item appears in an Agency report of our Senior War Planner, Pacific, October 1954, incident to his visit to CINCPAC.
